COVID-19 Immunization Record

Getting vaccinated against COVID-19 is one of the most effective steps we can take in the fight to protecting ourselves, our loved ones and community during the pandemic.

Everyone who has received a COVID-19 vaccine in Prince Edward Island can access a copy of their immunization record. The immunization record shows the date(s) you were vaccinated and the kind of vaccine(s) you received.

Where can I get a record of my COVID-19 immunization?

Individuals who provided their health card number or phone number at the time of vaccination in Prince Edward Island can access their record through PEI's online COVID-19 Immunization Record Portal.

- **if you provided a health card number**, you can use your health card number to directly log into the portal to access your immunization record
- **if you provided a landline phone number**, you must enter your landline phone number into the portal. You will then receive a phone call with a code to access your immunization record through the portal.
- **if you provided a mobile phone number (cell phone number)**, you must enter your mobile number into the portal. You will then receive a text message with a code to access your immunization record through the portal.

If you did not provide a health card number or phone number at the time of vaccination, or do not have a health card, email vaxrecord@gov.pe.ca to request a copy of your immunization (please include your full name and daytime phone number) or call the COVID-19 Immunization Program toll-free at 1-844-975-3303.

I am a PEI resident and received a COVID-19 vaccine in another province (or country). How can I have this vaccination information added to my personal PEI Immunization Record?

Most residents who received a COVID-19 vaccine outside PEI can have that vaccination information added to their PEI Immunization
